

WORLD NATION INTERNATIONAL CURRENCIES IN THE WORLD

World Nation International Currencies or WNIC is a program and project of having an International Currencies of our Nations in the world. WNIC his purpose is to propose the additional currencies as also a second national and international currencies of each nations in the world. Aside of second national currencies it also propose to be the reserve currencies of each nations in the world and to promote to be a solution and support in the economic crisis of each nations involving and relating to the currencies services and issues.

The Basic and Official names use and been hold of World Nation International Currencies, currencies program or the name that use by the world nation international currencies is came from the Nations or Nationality after his reserve currencies use. Like in Nation of Philippine: The “Philippine Dollars” will the basic and official names of World Nation International Currencies propose in the Philippine as Dollar currency will be the reserve currency of Philippine Nation and in Japan if we going to use the reserve currency of Dollar or Piso it will have a basic and officially name of Japanese Dollar or Japanese Piso as propose WNIC Currency. World Nation International Currencies or WNIC as starting of the program only use some of the reserve currencies name that will be included in the proposal and this is the currencies of: Dollar, Piso (Peso), Pound, Euro, Franc, Dinar, Rial, as we following the currencies that has a top rated in the world and other is study for consideration.

LIST OF WORLD NATIONS INTERNATIONAL CURRENCIES THAT TO BE PROPOSE TO EVERY NATIONS IN THE WORLD AS SECOND OR RESERVE OFFICIALLY AND NATIONALLY CURRENCIES OF NATIONS IN THE WORLD.
